

General information for applicants

Teacher of Spanish (with French desirable) *(Maternity cover, full-time and part-time considered)*

The Princethorpe Foundation

The Princethorpe Foundation, which is administered by lay trustees, provides coeducational, independent, day schooling in the Catholic tradition for some thirteen hundred children from age two to eighteen years. The senior school, Princethorpe College, (HMC 11 - 18) is about 7 miles from Leamington, Coventry and Rugby, with the junior schools, Crescent (IAPS) about seven miles away in Rugby, and Crackley Hall School (IAPS) and Little Crackers Nursery about nine miles away in Kenilworth.

The School

Princethorpe College opened in 1966 and occupies a fine former Benedictine monastery which was built in the 1830s in 200 acres of parkland. The origins of the school date back to 1957 when the Missionaries of The Sacred Heart opened St Bede's College in Leamington Spa; the subsequent move to Princethorpe gave an opportunity for expansion.

The school became a lay foundation in 2001, when it merged with St Joseph's School in Kenilworth, resulting in the consolidation of a junior school and nursery on the Kenilworth campus. Crackley Hall is a significant feeder for Princethorpe. In September 2016, The Crescent School, a stand-alone prep school for seventy years in Rugby, also merged with the Princethorpe Foundation.

About one-quarter of the children at Princethorpe are Catholic and the Foundation welcomes children and staff of all denominations. The key catchment area for the school lies in a radius of about twenty-five miles, largely within the conurbations of Coventry, Leamington, Warwick, Kenilworth, Solihull, Stratford, Lutterworth, Banbury and Rugby, all of which enjoy a private bus service.

The Head of Princethorpe, Ed Hester, is Foundation Senior Head and as chief executive chairs the Foundation Executive Committee (FEC) which has responsibility for the day-to-day running of the schools and strategic planning. Financial management, estates, catering, IT systems and marketing for all schools in the foundation are resourced centrally. The head of Crackley Hall, Robert Duigan and the Head of the Crescent, Huw Marshall, are also members of the FEC.

Ed Hester is a member of HMC and the school also has membership of ISA and CISC.

The school continues with a comprehensive investment programme which over the last decade has seen a Sixth Form Centre built, Sports Centre improvements, chapel refurbishment, a new Photography department, update of IT facilities, Music department and classroom refurbishment and restoration of The Roundhouse to provide a stunning multi-purpose meeting, teaching and performing space. *The Limes*, a £4.5m fourteen-classroom teaching wing serving English, Modern Foreign Languages, Academic PE, IT and computing opened in September 2014. An indoor climbing wall and new fitness centre were part of the same project.

Ethos

Princethorpe life extends well beyond just exam preparation. The gospel values of love, service, commitment and forgiveness are central to everything which the school does, underscored by the school motto, *Christus Regnet – may Christ reign.*

Our schools are characterised by their strong Christian ethos and pride themselves on providing a caring, stimulating environment in which children's individual needs are met and their talents, confidence and self-esteem are developed.

The school maintains its Catholic tradition through assemblies, morning prayers, Holy Mass, celebrating the sacraments, teaching of Religious Studies and a vibrant Chaplaincy.

The social, cultural, intellectual, spiritual and emotional needs of pupils drive the school which is famed for outstanding levels of pastoral care. The ISI inspection report from April 2014 makes reference to the spiritual, moral, social and cultural development of pupils as being a key strength of the school.

The Local Area

True to its heritage as a fashionable spa resort in the late 18th century and with a population of 50,000, Leamington is a thriving and elegant town of culture, leisure and good eating, with a well-regarded shopping experience comprising the usual range of high street outlets plus a significant number of independents. There are three key green spaces: the Jephson Gardens, Pump Room Gardens and Victoria Park. All of the major supermarkets are present. Swimming, golf, football, rugby, tennis, real tennis, health clubs, galleries, museums and the theatre are all well represented.

Rugby which has a population of 71,000, has an industrial heritage including the development of Whittle's jet engine and is, of course, the birthplace of rugby football; Coventry is famed for its Basil Spence Cathedral where Britten's War requiem was first performed and Warwick has a gentler air boasting the finest mediaeval fortress in the country. Kenilworth has the ruins of a castle, the remains of a medieval monastery, interesting architecture, a huge choice of well-regarded restaurants and a variety of independent retailers.

Communications in this part of the world are excellent, with easy access to the Midlands motorway network, and London is about an hour from stations at Leamington Spa, Rugby and Coventry. Shakespeare's Stratford-upon-Avon and the Cotswolds are a short drive away. There is a huge variety of property at modest prices.

Looking Forward

Princethorpe College enjoys an excellent and growing reputation. Pupil numbers have risen to around 875 and continuing strides are being made to ensure the highest academic standards and a widening extra-curricular programme. Many pupils gain representative honours in sport and England cricketer, Ian Bell, numbers amongst the school's alumni.

Plans are in place for *The Close*, a seven laboratory Science block at Princethorpe and *The Gables*, at Crackley Hall, comprising a multi-purpose hall, classrooms and music practice rooms opened in February 2016 and represents a further £2m investment. A new Virtual Learning Environment utilising *Firefly* has been implemented and is being rapidly populated. A pilot study for using tablets and other digital devices in class groups has recently been completed.

Curriculum

The curriculum is wide-ranging and our challenge is to prepare pupils for their next stage of education.

The school has made significant academic progress over the last decade, building a reputation for high levels of success with strong, positive value-added scores. Most pupils continue into

the Sixth Form where there is a wide range of A-level subjects on offer. All Sixth Formers have the opportunity to take part in The Princethorpe Diploma, a home-grown award, which encourages active participation in extra-curricular activities, service to the community and work-experience as well as a full commitment to their academic studies and enrichments projects.

In Summer 2017, from a cohort of 131 GCSE candidates, a quarter of pupils received at least seven A* or A grades, two thirds of all grades were grade B or better and 55% of all pupils achieved A* or A grades for English. At A-level, out of a cohort of 92, there was a 100% pass-rate. The overwhelming majority gained entry into the universities of their choice with a quarter of all grades at A* or A and 80% of all grades at C or better. In addition, over two-thirds of the students were awarded the Princethorpe Diploma.

The School Aims:

1. to provide a first-class, rounded education for all its pupils;
2. to ensure that a strong Christian ethos - underpinned by the values of our founders, the Missionaries of the Sacred Heart - permeates the school; this ethos nurtures personal spirituality, moral development and self-respect based on Gospel values, love of God and love of one's neighbour. Respect for others and the environment, generosity, compassion, loyalty and a desire to "do the right thing" are key indicators of this living ethos, as are good manners, courtesy and an appreciation of the joy of life;
3. to prepare each pupil to be a positive, tolerant member of our multi-cultural society, being generous of spirit in serving others. We aim to forge strong links within our own community and in the local and wider communities;
4. to offer a broad curriculum which is challenging, exciting and meets the needs of our pupils. It needs to be balanced, have academic integrity, cater for a variety of educational needs and to foster a life-long love of learning and enjoyment of academic pursuits;
5. to have the highest standards of teaching and learning. We want pupils to be active learners and take responsibility for their learning; we want them to have independent learning skills, be resilient and have academic stamina and rigour. We want pupils to achieve the best possible examination results - but focus on these must not stifle creativity, fun, independence, breadth and depth of learning;
6. to ensure all members of the College Community receive the necessary support, encouragement and motivation to grow and develop above and beyond their own expectations. We aim to set ourselves the highest possible standards and view the giving of encouragement, affirmation and praise as essential to the ethos of the College;
7. to offer a first-class comprehensive extra-curricular programme that encourages and inspires the whole range of ability and interest levels from outstanding performers to reluctant beginners;
8. to provide the necessary channels for good communications within our community so that all have a voice which can be heard and all are kept informed of events and developments;

9. to provide the necessary planning, structure and resources to meet the above goals. We must also ensure that we care for our resources and use them well. We aim to promote Foundation-wide thinking so that planning, ideas and resources are shared across the schools to best effect;
10. to provide the financial security and stability to deliver the above goals and assure the future of the College and Foundation.

Role

We require a well-qualified, enthusiastic and energetic graduate to teach Spanish from November 2018 for maternity cover. The ability to teach Spanish to GCSE is essential with Spanish to A-Level and French to KS3 desirable. Full and part-time applications will be considered.

The person(s) appointed will be expected to motivate and inspire pupils of all ranges of ability across Key Stages 3 and 4 as well as stimulating further interest in the subject through extra-curricular clubs and events. Candidates should be able to demonstrate success in the classroom and be effective team players.

Modern Foreign Languages at Princethorpe

The MFL department currently consists of five full time staff, all of whom are language specialists. The department is friendly and supportive and the teachers work together well as a team. We are fortunate to be well resourced in the new block, 'The Limes'. We have a wide variety of courses and materials available for use. The languages department has access to a fully equipped IT suite and interactive whiteboards in MFL classrooms. In addition, pupils are able to benefit from the support given by our French and Spanish language assistants.

Our department is enthusiastic and committed to achieving a high level of success with all our pupils. We have some very able pupils in the department and naturally, also teach children who find learning languages quite demanding.

At Key Stage 3, we are phasing in a new curriculum model, which started in September 2017. New Year 7 pupils study Spanish as their main language. In Year 8, pupils pick up French and continue with Spanish. They will then choose either French or Spanish to study in Year 9 (Sept 2019). Our current Year 8 pupils study French as their main language with taster Spanish lessons on a carousel, twice a week. In Year 9 they will choose either Spanish or Latin in addition to their French classes.

At Key Stage 4, pupils usually choose at least one MFL. We work towards the Edexcel iGCSE (2017). Pupils receive three lessons per week.

We have small groups of A-level French, German and Spanish. From September 2016 we have been teaching the new Edexcel A-level courses.

We are very committed to offering language department trips abroad to our pupils. In the last three years we have run trips to Futuroscope, Normandy and Pas de Calais. A tour of Madrid, Seville and Granada provided Spanish students with a historical and cultural perspective in 2013 and a homestay to Cuenca in June 2015 and Feb 2018 allowed pupils to experience Spanish family life. In May 2014 the Year 9 German pupils had a wonderful time along the Rhine and returned again in April 2016.

French KS3 SoW are based on the Pearson Studio 1 and 2 courses. For IGCSE the Expo GCSE AQA text books are used with supplementary resources from a variety of books and websites. At

A-level we have invested in the Dynamic Learning Edexcel A-level course published by Hodder Education. Spanish KS3 SoW are based on Pearson Viva 1 and 2 courses. At IGCSE we still use the Mira AQA text book alongside supplementary resources from a variety of books and websites, including the Pearson Viva Edexcel GCSE text book. We subscribe to Linguascope, PearsonActivelearn and Thisislanguage websites. Our assistants and Sixth Form language ambassadors act as role models and we have had several success stories with students going on to study languages at university, including Cambridge and Oxford.
