

Princethorpe College

An independent school for 11-18 year olds

**Revised 2021
Admissions and
Entrance Examinations
(Years 7 to 10)
(Issued September 2020)**

Introduction

Thank you for your interest in Princethorpe College. Children who want to come to Princethorpe sit an entrance examination usually in the November of the year before they are due to start in September, but due to the COVID-19 situation we are moving the entrance examination for 2021 entry to January 2021. The majority of children join us in Year 7, but children are welcome to join in other year groups as space allows. Competition for places is high, as are standards, but the school also looks for young people who will contribute to the wider life of the school.

We hope you find the information in this booklet helpful in outlining the admissions process, including key dates and deadlines. You will also find comprehensive information on the full range of scholarships and bursaries available. Our Admissions Team, Vanessa Rooney, Registrar, Helen Morgan, Assistant Registrar and Catherine Rogers, Admissions Administrator, will be happy to guide you through the admissions process.

I very much hope to be able to welcome you to Princethorpe soon.

E D Hester
Headmaster

Entrance Examinations 2021

Saturday 23 January 2021 – 9.30am to 3.30pm

All candidates must be registered before sitting the entrance examinations. Registrations, bursary and scholarship applications must be received by the deadline of **Friday 4 December 2020** to allow us to process the registration and contact schools for references.

Following receipt of the registration form, any candidate with a learning need will have an assessment with a member of our Special Educational Needs and Disabilities Team, prior to the entrance examination. In this instance, early submission of the registration form is advised in order that this appointment can be made in good time.

Format of the day

Candidates are requested to report to the college for 9.30am and entry to the building will be from no earlier than 9.00am. Candidates should wear their current school uniform and should bring a pen, two pencils, eraser and ruler.

Candidates for Years 9 and 10 should bring a scientific calculator, a protractor, a compass and a relevant language dictionary.

Candidates sit papers in English and Maths and for those looking at Year 9 and 10 a language paper. The papers vary in length from 45 minutes to 1 hour 15 minutes. All candidates also sit a 50 minute online assessment which includes Verbal Reasoning, Non-Verbal Reasoning and Numerical Reasoning. More information is available under the relevant age group information on pages 4 and 5 of this booklet.

The online assessment will be provided by Centre for Evaluation and Monitoring (CEM). The test is designed to enable all children to demonstrate their academic potential without the need for excessive preparation.

For more information on the online assessment please visit the CEM website at <https://www.intuproject.org/CEMSelect/fam/CSFamiliarisation.html>

There are no practice papers available for the online assessment. CEM advises parents that children can best prepare for their online assessment by learning to work quietly on their own, completing homework set by their school, and by reading and making sure they understand all the words in any books they read. Children should also, wherever possible, be encouraged to try to solve problems by looking things up for themselves. Children should be familiar with using a keyboard and a mouse including the ability to click, drag and slide with a mouse.

The following practice papers may prove helpful:

- Bond How to do 11+ Verbal Reasoning published by Nelson Thornes (ISBN 9 780192 742292)
- Bond How to do 11+ Non-Verbal Reasoning published by Nelson Thornes (ISBN 9 780192 742285)
- Bond How to do 11+ Maths published by Nelson Thornes (ISBN 9 780192 742278)

They can be ordered online from Waterstones or from the store at 1 Priorsgate, Warwick Street, Leamington Spa, CV32 4QG, Tel 01926 883804.

A copy of a past English paper is included in the prospectus pack.

Access Arrangements

All children with a SEND will need to be assessed by a member of our Special Educational Needs and Disabilities Team prior to the entrance exams taking place. Please ensure the admissions team receive the registration form in good time, to enable this important appointment to take place.

Children with a special educational need or disability may be considered for access arrangements in the entrance examinations. Any access arrangements will usually be based on the child's normal way of working in their current educational environment, for which evidence will be required.

Personal Interviews (Years 8, 9 and 10)

Additionally for those entering Years 8, 9 and 10 personal interviews will take place if possible from September 2020 to week commencing Monday 18 January 2021. This is an informal 15 minute interview in English with Susan Harris, Head of Transition and Induction, or another senior member of staff, covering the candidate's interests, achievements, aspirations and communication skills.

Offers Made

After the entrance examinations are marked the Admissions Panel sits to discuss applications. The Panel will take into consideration the entrance examinations results, references from feeder schools and, for those with Special Educational Needs, the assessment by the Special Educational Needs professional prior to the entrance examinations.

Those entering Years 8, 9 and 10 will also have their personal interviews considered.

Exam results will be posted, first class, on **Thursday 11 February 2021**. No information will be available beforehand.

For those offered a place in **Year 7, 8, 9 or 10** confirmation of acceptance with a £300 deposit is required to secure the place, by **Thursday 4 March 2021**.

This deposit is refunded after the end of the final term which the pupil spends at Princethorpe.

The Year 7 acceptance deadline for places is, by a nationally agreed code of practice, the same for all independent schools, allowing parents and children time to review all their options, including those from the maintained sector, before making a final decision.

Once you have confirmed your acceptance of a place and sent your £300 deposit you will receive an acknowledgment and a receipt. A Joining Pack will then be sent to you during the Easter holidays, this will include various permission forms and essential information on school life.

In the event that there is a higher number of suitable candidates than places available it is possible that we will move into a waiting group situation. The parents of these candidates will be invited to express their interest in joining the waiting group and will be advised accordingly should additional places become available after the acceptance deadline of **Thursday 4 March 2021**.
