Public Examination Results
For the Summer 2025 Exam Sessions

Introduction

This booklet gives a summary of the A-level, GCSE & BTEC examination results achieved by our pupils in 2025.

From a cohort of 108 Upper Sixth Formers, 67% of grades achieved in A-levels and Level 3 BTECs were A* - B, with a 88% A* - C. Most students also completed an EPQ, with excellent results. We are proud of their academic achievements, but more so of the many other qualities they have developed at the College: kindness, respect and a strong sense of morality, all of which will be important as they move on to the next phases of their lives.

At GCSE, from a cohort of 112 pupils, 53% of GCSE/IGCSEs were awarded the coveted 9, 8 or 7 (A* - A) grades, with 27 candidates achieving nine or more qualifications at this level. Again, we are delighted with their excellent results, but also in the way they have matured as young people. The vast majority of this cohort have continued into our Sixth Form, alongside a significant number of external pupils. We have high hopes for our new Lower Sixth cohort in the next two years!

Whilst incredibly important, we do so much more than help our pupils achieve excellent examination results. We offer a caring, supportive and well-ordered educational environment, encouraging pupils to develop their full potential academically, socially, physically and spiritually.

To quote our most recent school ISI Inspection Report (2022):

“The quality of the pupils’ personal development is excellent... Pupils in the sixth form declared in interview that the difference between the pupils they were on arrival and how they were now, was ‘simply exponential’ and they were very appreciative of their time at the school. In the questionnaire, parents praised the strong support provided by the school for their children’s development as individuals.”
